“विज्ञानं शिल्पयति सभ्यताम्”

PROJECT 1 : INTERVIEW (2026-27)

Date: 12th September 2026 | Venue: Fr. Proost Hall

INTRODUCTION

The Science Club of St. Xavier's College, Ranchi, conducted the members' recruitment process through offline interviews. The round was organized to interact with the shortlisted candidates personally and gain a better understanding of their interests, skills, ideas and potential contributions to the club.

FLOW OF EVENT

During the interviews, candidates were assessed on various aspects, including communication skills, confidence, creativity and problem-solving abilities.

The offline interaction allowed the selection teams to evaluate the candidates and helped to identify candidates with diverse skills and perspectives who could contribute effectively to the club's events, projects, scientific activities, outreach initiatives and team-based programs.

CONCLUSION / OUTCOME

This marked an important stage in the recruitment process and helped in building an enthusiastic and capable team for the upcoming activities of the Club.

PROJECT 2 : ORIENTATION SESSION

Date: 21st September 2026 | Venue: Fr. Proost Hall

INTRODUCTION

The Science Club of St. Xavier's College, Ranchi, organized an orientation session for the newly recruited members to introduce them to the club, its objectives, activities, and its functioning. The session provided an opportunity for the new members to interact with the existing team members and gain a better understanding of the club's vision and working structure.

PROJECT 2 : ORIENTATION SESSION

AIM

The session provided an opportunity for the new members to formally acquaint themselves with the existing members of the Club, their respective responsibilities and its upcoming initiatives. The session also highlighted the importance of teamwork, communication, creativity and active participation in successfully organizing various events and activities.

To make the orientation more interactive and engaging, the session included a series of fun and interactive games. These activities provided an informal environment so that the newly recruited and the existing members could interact with one another, express themselves freely, and become more comfortable with each other.

MEDIA COVERAGE

The VERVE Media House played an important role in covering the event by capturing key moments through photographs and videos. Their efforts helped document the various activities and interactions during the session, creating a visual record of the event.

CONCLUSION / OUTCOME

The session marked the beginning of the new members' journey with the Club, providing them with an opportunity to become familiar with the club's objectives, activities and collaborative learning environment. It aimed to foster an engaging and interactive atmosphere that encouraged scientific curiosity, knowledge-sharing, creativity and active participation in various extracurricular activities beyond the traditional classroom setting.
