5. DETAILED EVENT PROCEEDINGS

5.1 Introduction to Xavier's Techbyte Society

The programme commenced with an introduction to Xavier's Techbyte Society (XTS). The introduction provided the participants with an overview of the society, its activities, objectives and the role it plays within the college community.

5.2 Speeches by XTS Club Heads

Following the introduction, the XTS club heads addressed the gathering. They introduced their respective roles and responsibilities and shared information about the functioning and activities of the society.

5.3 Faculty and HOD Interaction

The faculty members subsequently joined the programme. The Head of the Department, Dr. Swarat Chaudhari and Mentor of XTS Dr. Kamaldeep addressed the gathering and interacted with the students and XTS members. Their addresses provided guidance and encouragement to the participants.

5.4 Tech Arena Certificate Distribution

Following the HOD's and the Mentor's addresses, certificates were distributed to the winners of the Tech Arena Quiz. The certificate distribution recognized the participants for their performance and participation in the quiz.

5.5 XTS T-Shirt and ID Card Reveal

After the certificate distribution, the official XTS T-shirt and ID card were revealed. Mentor Dr. Kamaldeep interacted with the XTS members and signed the T-shirts, making the moment a memorable part of the programme.

5.6 XTS Moments

The programme then featured XTS Moments, showcasing memorable moments and activities associated with the society. This segment provided participants with an insight into the experiences and activities of XTS.

5.7 Member Interaction and Fun Menti Quiz

The introduction of XTS members then began. Members introduced themselves to the gathering, allowing participants to become familiar with the people involved in the society and their respective roles. During the member introductions, a Fun Menti Quiz was conducted to create an interactive and informal atmosphere. The quiz consisted of humorous and entertaining questions, and participants submitted their responses using their mobile phones. The responses were displayed during the session, encouraging active participation from the gathering.

5.8 Interactive Session by Prabhat Sir

Prof. Prabhat Ranjan, a Mathematics faculty member, subsequently addressed the gathering. He delivered a student-friendly and interactive speech, engaging with the participants and sharing his thoughts and guidance. His interaction added an informative and engaging element to the programme and encouraged students to participate actively in the session.

5.9 Announcement of Techfest BITSHIFT 2.0

The society announced its upcoming technical event, Techfest BITSHIFT 2.0. The announcement informed participants about the upcoming event and encouraged students to take part in the activities organised by XTS.

5.10 Musical Performance

The programme continued with a musical segment in which XTS members performed songs for the gathering. Some members showcased their singing talents, adding an entertaining and informal element to the orientation programme.

5.11 Final Group Photograph

The programme concluded with a final group photograph featuring the XTS members, club heads and participants. The photograph captured the concluding moment of the orientation programme and served as a record of the gathering.

6. OUTCOME OF THE EVENT

The XTS Orientation Programme provided an opportunity for students and members to become familiar with the society, its activities and its members. The programme combined formal addresses, member introductions, recognition of Tech Arena Quiz winners, interactive activities and musical performances. The Fun Menti Quiz encouraged active participation and created an informal atmosphere, while the interactions with the HOD, mentor and Prof. Prabhat provided students with opportunities to engage with faculty and mentors. The announcement of Techfest BITSHIFT 2.0 also gave participants information about an upcoming XTS initiative and encouraged further participation in the society's activities.

7. VOTE OF THANKS

The programme concluded with a vote of thanks expressing gratitude to the HOD, faculty members, mentors, club heads, XTS members and all participants for their presence and contribution to the programme. The organizers acknowledged the support and participation of everyone who contributed to the successful conduct of the XTS Orientation Programme.

8. PHOTOGRAPHS

The following photographs form part of the event record and capture different moments of the XTS Orientation Programme, including the gathering of faculty members, mentors, XTS members and students.

Geotagged photograph of the event, recorded in Ranchi on 16 September 2026 at approximately 10:52 AM.

Group photograph featuring XTS members, faculty members, mentors and student participants.

Photograph showing students and faculty members during the orientation programme.

9. PARTICIPATION AND EVENT RECORD

The programme recorded a total attendance of 70, comprising 10 faculty/staff members and 60 XTS members. The attendance and photographic record together document the participation and proceedings of the programme.

The event photographs capture the interaction among students, faculty members, mentors and XTS members and the concluding group gathering. The geotagged photograph also provides a visual record of the venue and date of the event.

No newspaper clipping was available among the materials provided for this report.

10. CLOSING NOTE

The XTS Orientation Programme 2026–27 was a meaningful and engaging gathering that brought students, faculty members, mentors and XTS members together. The programme successfully introduced students to the society, its activities and its members while creating an atmosphere of interaction and enthusiasm. The recognition of Tech Arena Quiz winners, the Fun Menti Quiz, interactive faculty sessions, musical performance and announcement of Techfest BITSHIFT 2.0 made the programme informative as well as engaging. The event concluded on a positive note with a group photograph, marking the successful completion of the XTS Orientation Programme 2026–27.
